From the Risorgimento atmosphere of the baroque Turin, you will be taken on a journey that will lead you through the Crocetta (one of the most elegant zone of the city) to the first 900 industrial Turin (Officine Grandi Riparazioni and the Lingotto, Fiat's famous factory) and again in the city center along the river Po and its parks.

The visit will touch all the most interesting city's sites as Palazzo Carignano, home of the first parliament of united Italy, the Mole Antonelliana and the Porte Palatine, the Roman era in Turin.

The entire route runs almost entirely along the bike paths of the city in a peaceful and safe flow.
